RE: <u>SUBPOENAS</u>	
William Porter	Case No.: 115141037
Alicia White	Case No.: 115141036
Cesar Goodson	Case No.: 115141032
Garrett Miller	Case No.: 115141034
Edward Nero	Case No.: 115141033
Brian Rice	Case No.: 115141035

Dear Mr. Pillion:

The computerized records of The Cop Shop, Inc., regarding sale of knives, date back to 2008. By way of memorializing our telephone conversation of October 30, 2015, the scope of the above referenced subpoenas has been narrowed to seek only the computerized records relating to Baltimore City Police Officers who purchased "rescue" style knives.

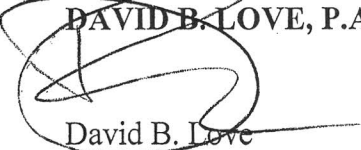

Enclosed herein are records responsive to the subpoenas, as set forth above. A search of the business records of The Cop Shop, Inc., indicate that the only brand(s)/type(s) of "rescue" knives sold during the referenced time period were Marlin Tactical, Right Edge, and a knife distributed by Szco, Inc., but of unknown manufacturer.

In addition to the sale records requested by subpoena, enclosed is a Certification of Authenticity of Records, executed by Sam Walters, in his capacity as Custodian of Records for The Cop Shop, Inc. Also enclosed is the requested "SKU" list, corresponding to the products identified in the enclosed sales records.

Unless I hear from you to the contrary, I will understand that the enclosed records fully respond to the above referenced subpoenas. I request that your Office place Mr. Walters on call for the upcoming trials. Mr. Walters will only require forty-five (45) minutes notice to appear and testify on any Tuesday through Friday. On Mondays, he will require one-and-a-half (1.5) hours prior notice to appear.

Please contact me to discuss. Thank you. Awaiting your prompt response, I am

Very truly yours,
DAVID B. LOVE, P.A.
